Q: What vote is required to approve these proposals?

A: Provided a quorum is present, the following are the voting requirements for each proposal:

- *Proposal 2. Approval of the 2017 Omnibus Incentive Plan.* The 2017 Omnibus Incentive Plan will be approved if stockholders holding a majority of the Common Stock having voting power present in person or represented by proxy vote in favor of the 2017 Omnibus Incentive Plan.

- “**FOR**” the approval of the 2017 Omnibus Incentive Plan; and

Q: How do I vote?

A: You may vote by any of the following methods:

- *In Person.* Stockholders of record and beneficial stockholders with shares held in street name may vote in person at the 2017 Meeting. If you hold shares in street name, you must obtain a proxy from the stockholder of record authorizing you to vote your shares and bring it to the meeting along with proof of beneficial ownership of your shares. A photo I.D. is required to vote in person.

- *By mail.* If you elected to receive printed proxy materials by mail, you may vote by signing and returning the proxy card provided to the principal executive offices of the Company at 1515 S. Federal Highway, Suite 307, Boca Raton, Florida 33432, Attention: Matthew Cohen, General Counsel. Please allow sufficient time for mailing if you decide to vote by mail.

Q: How can I change or revoke my vote?

A: You may change your vote as follows:

- *Stockholders of record.* You may change or revoke your vote by submitting a written notice of revocation to Ominto, Inc., 1515 S. Federal Highway, Suite 307, Boca Raton, Florida 33432, Attention: Matthew Cohen, General Counsel, or by submitting another proxy card before the conclusion of the 2017 Meeting. For all methods of voting, the last vote cast will supersede all previous votes.
- *Beneficial owners of shares held in street name.* You may change or revoke your voting instructions by following the specific directions provided to you by your bank, broker or other nominee.

Q: What if I do not specify a choice for a matter when returning a proxy?

A: Your proxy will be treated as follows:

Stockholders of record. If you are a stockholder of record and you sign and return a proxy card without giving specific voting instructions, then the proxy holders will vote your shares in the manner recommended by the Board on all matters presented in this proxy statement and as the proxy holders may determine in their discretion for any other matters properly presented for a vote at the meeting.

Beneficial owners of shares held in street name. If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions, the organization that holds your shares may generally vote on routine matters but cannot vote on non-routine matters. If the organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, the organization that holds your shares will inform the inspector of election that it does not have the authority to vote on this matter with respect to your shares. This is referred to as a “broker non-vote.”

Q: Which ballot measures are considered “routine” or “non-routine”?

A: The election of directors (“[Proposal 1](#)”) and the approval of our 2017 Omnibus Incentive Plan (“[Proposal 2](#)”) are considered non-routine matters. A broker or other nominee cannot vote without instructions on non-routine matters, and therefore there may be broker non-votes on Proposals 1 and 2.

Q: Could other matters be decided at the 2017 Meeting?

A: As of the date of the filing of this proxy statement, we were not aware of any matters to be raised at the 2017 Meeting other than those referred to in this proxy statement.

If other matters are properly presented at the 2017 Meeting for consideration, the proxy holders for the 2017 Meeting will have the discretion to vote on those matters for stockholders who have submitted a proxy card.

Q: How are proxies solicited and what is the cost?

A: We are making, and we will bear all expenses incurred in connection with the solicitation of proxies. In addition to solicitation by mail, our directors, officers and employees may solicit proxies from stockholders by telephone, letter, facsimile or in person. Following the original mailing of the Meeting Notice, we will request brokers, custodians, nominees and other record holders to forward their own notice and, upon request, to forward copies of the proxy statement and related soliciting materials to persons for whom they hold shares of our capital stock and to request authority for the exercise of proxies. In such cases, upon the request of the record holders, we will reimburse such holders for their reasonable expenses.

Q: What should I do if I have questions regarding the 2017 Meeting?

A: If you have any questions about the 2017 Meeting, would like to obtain directions to be able to attend the 2017 Meeting and vote in person or would like additional copies of any of the documents referred to in this proxy statement, you should call our Investor Relations department at 561-362-2393.

Corporate Governance

Director Independence. The Board makes an affirmative determination that those members of its Board that serve as independent directors do not have any relationships with the Company and its businesses that would impair their independence. In connection with these determinations, the Board reviews information regarding transactions, relationships and arrangements involving the Company and its businesses and each director that it deems relevant to independence.

We deem that Michael Hansen is not independent as that term is defined by NASDAQ 5605(a)(2) because he serves as our Chief Executive Officer, and Mitchell C. Hill is not independent because he serves in an Executive Director capacity.

We deem that Gary S. Baughman, Gregory J. Newell, Peter H. Harris and Jaye Connolly-LaBelle are independent as that term is defined by NASDAQ 5605(a)(2).

Director Nominations. Our Board has a Nominating and Governance Committee that identifies individuals qualified to become Board members and recommends to the Board proposed nominees for Board membership.

Director candidates are considered based upon a variety of criteria, including demonstrated business and professional skills, experience relevant to our business and strategic direction, concern for long-term stockholder interests, personal integrity and sound business judgment. The Board seeks men and women from diverse professional backgrounds who combine a broad spectrum of relevant industry and strategic experience and expertise that, in concert, offer us and our stockholders diversity of opinion and insight in the areas most important to us and our corporate mission. However, we do not have a formal policy concerning the diversity of the Board. All director candidates must have time available to devote to the activities of the Board. We also consider the independence of director candidates, including the appearance of any conflict in serving as a director. A director who does not meet all of these criteria may still be considered for nomination to the Board, if our independent directors believe that the candidate will make an exceptional contribution to us and our stockholders.

Generally, when evaluating and recommending candidates for election to the Board, the Board will conduct candidate interviews, evaluate biographical information and background material and assess the skills and experience of candidates in the context of the then current needs of the Company. In identifying potential director candidates, the Board may also seek input from the executive officers and may also consider recommendations by employees, community leaders, business contacts, third-party search firms and any other sources deemed appropriate by such directors. The Board will also consider director candidates recommended by stockholders to stand for election at the annual meeting of stockholders so long as such recommendations are submitted in accordance with the procedures described below under “*Stockholder Recommendations for Board Candidates.*”

Board Leadership Structure. Our Board does not have a policy on whether the offices of Chair of the Board and Chief Executive Officer should be separate and, if they are to be separate, whether the Chair of the Board should be selected from among the independent directors. Our Board believes that it should have the flexibility to make these determinations at any given time in the way that it believes best to provide appropriate leadership for the Company at that time. Our Board has reviewed our current Board leadership structure in light of the composition of the Board, the Company’s size, the nature of the Company’s business, the regulatory framework under which the Company operates, and other relevant factors. Gary S. Baughman serves as the lead independent director.

Board Role in Risk Oversight. The Board administers its risk oversight function directly. The Board regularly discusses with management the Company’s major risk exposures, their potential financial impact on the Company, and the steps taken to monitor and control those risks.

The Board and Board Committees

The Board.

The Board met six times for meetings during the 2016 fiscal year. During fiscal year 2016, each incumbent director attended 75% or more of the Board meetings for the periods during which each such director served. Directors are not required to attend annual meetings of our stockholders.

Audit Committee and Audit Committee Financial Experts

The Audit Committee, established in accordance with Section 3(a)(58)(A) of the Exchange Act, assists the Board in its general oversight of our financial reporting, internal controls, and audit functions, and is directly responsible for the appointment, compensation and oversight of the work of our independent registered public accounting firm. The members of the Audit Committee are Jaye Connolly-LaBelle (Chair), Peter H. Harris, and Gary S. Baughman. Messrs. Connolly-LaBelle, Harris and Baughman are independent under NASDAQ's independence standards for audit committee members. The Board has determined that Ms. Connolly-LaBelle is an "audit committee financial expert", as defined by the rules of the SEC. The charter of the Audit Committee is available on our website at inc.ominto.com on the Investor Relations page. The Audit Committee met four times during the 2016 fiscal year.

The Audit Committee has (i) reviewed and discussed the audited financial statements with management; (ii) discussed with the independent auditors the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol 1. AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T; and (iii) received the written disclosures and letter from the independent accountant required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence and has discussed with the independent accountant the independent accountant's independence. Based on such review and discussions, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's annual report on Form 10-K for the fiscal year ended December 31, 2016.

Nominating and Governance Committee

The Nominating and Governance Committee is responsible for matters relating to the corporate governance of our Company and the nomination of members of the Board and committees thereof. The current Chair of the Nominating and Governance Committee is David C. Pollei, who is not standing for reelection to the Board and who will be replaced as Chair of the Nominating and Governance Committee by Gary S. Baughman. The other members of the Nominating and Governance Committee are Gregory J. Newell and Jaye Connolly-LaBelle. Each of them is independent under NASDAQ's independence standards. The charter of the Nominating and Governance Committee is available on our website at inc.ominto.com on the Investor Relations page. The Nominating and Governance Committee met one time during the 2016 fiscal year.

Compensation Committee

The Compensation Committee establishes our executive compensation policy, determines the salary and bonuses of our executive officers and recommends to the Board equity compensation grants for our executive officers. The members of the Compensation Committee are Peter D. Harris (Chair), David C. Pollei and Gregory J. Newell. Each of them is independent under NASDAQ's independence standards for Compensation Committee members. Mr. Pollei is not standing for reelection to the Board and will be replaced by Gary S. Baughman on the Compensation Committee. Our Chief Executive Officer often makes recommendations to the Compensation Committee and the Board concerning compensation of other executive officers. The Compensation Committee seeks input on certain compensation policies from the Chief Executive Officer. The charter of the Compensation Committee is available on our website at inc.ominto.com on the Investor Relations page. The Compensation Committee met four times during the 2016 fiscal year.

Compensation Committee Interlocks and Insider Participation

None of our directors who currently serve as members of our Compensation Committee is, or has at any time during the past year been, one of our officers or employees. None of our executive officers currently serve, or in the past year have served, as a member of the board of directors or compensation committee of any other entity that has one or more executive officers serving on our Board or Compensation Committee.

Stockholder Recommendations for Board Candidates

The Board will consider qualified candidates for directors recommended and submitted by stockholders. Submissions that meet the then current criteria for Board membership are forwarded to the Board for further review and consideration. The Board will consider a recommendation only if appropriate biographical information and background material are provided on a timely basis, accompanied by a statement as to whether the stockholder or group of stockholders making the recommendation has beneficially owned more than five percent (5%) of our Common Stock for at least one (1) year as of the date that the recommendation is made. To submit a recommendation for a nomination, a stockholder may write to the Board, at our principal office, Attention: Matthew Cohen, General Counsel.

The Board will evaluate any such candidates by following substantially the same process, and applying substantially the same criteria, as for candidates submitted by Board members, assuming that appropriate biographical and background material is provided for candidates recommended by stockholders and the process for submitting the recommendation is followed.

Stockholder Communications with the Board

Equity Compensation Arrangements

2010 Omnibus Equity Compensation Plan

The Company currently has a single plan for granting equity incentives – the 2010 Omnibus Equity Compensation Plan (the “2010 Plan”). The 2010 Plan was approved on September 30, 2010 by the majority of the voting power of the Company and by the Board. The 2010 Plan has been implemented in order to attract, incentivize and retain highly qualified individuals and keep the Company competitive with other companies with respect to executive compensation. The Company believes that directors, officers and other employees should have a significant stake in the Company's stock price performance under programs which link compensation to stockholder return. As a result, stock option grants and other equity incentives are an integral part of the Company's compensation program.

The 2010 Plan, as initially adopted, had an aggregate limit of 1.0 million shares of common stock for all awards. In April 2015, the majority of the voting power of the Company approved a 2.0 million share increase, raising the total number of shares of common stock issuable under 2010 Plan awards to 3.0 million. The increase in the number of shares took effect on June 9, 2015, or 20 days after an information statement was delivered to the stockholders. The information statement constituted both approval of the 2010 Plan and the increase in number of issuable shares by the shareholders under the 1934 Exchange Act. A copy of the 2010 Plan was part of the information statement delivered to the stockholders. The table below sets forth, for the period indicated, the number of shares reserved for issuance, awards made and shares available for issuance under the 2010 Plan.

In September of 2016, the majority of the voting power of the Company approved a 1.5 million share increase, raising the total number of shares of common stock available for issuance under the 2010 Plan to 4.5 million. This increase became effective in October of 2016, 20 days after the mailing of an information statement to the Company's stockholders. Thereafter, additional grants of options and restricted shares have been awarded and, as of the Record Date, 1,275,000 shares remain available for issuance under the 2010 Plan.

Termination and Change in Control Arrangement

We have entered into employment agreements with certain of our executive officers that require us to provide compensation to them upon termination of their employment with us or a change in control of the Company. Regardless of the manner in which their employment terminates, they will be entitled to receive amounts earned during the term of their employment. Such amounts include the portion of their current annual base salary and bonuses which have accrued through the date of termination, vested stock options, and payment for accrued but unused vacation.

In addition to the consideration described above, the amount of compensation payable to each of the Company's executive officers named below following termination or a change of control is discussed below.

Employment, Severance and Change in Control Agreements

Hansen

Our new employment agreement with Mr. Hansen dated November 17, 2016, as amended, provides that upon termination of his employment by the Company, other than for “cause,” or by him for “good reason,” he is entitled to receive any unpaid salary, bonus and unreimbursed expenses plus severance payments paid in accordance with Company’s payroll in the amount of 12 months of base salary (as then in effect). Under his employment agreement, as amended, Mr. Hansen has been granted 200,000 shares of restricted common stock, 100,000 of which vested on March 6, 2017 and 100,000 of which vested on March 8, 2017.

Mr. Hansen is entitled to twenty-four (24) months of severance pay if such termination occurs within twenty-four (24) months following a change in control, subject to the provisions in the new employment agreement, and payable in accordance with the Company’s normal payroll. Unless otherwise approved by the Board, Mr. Hansen shall not be entitled to accelerated vesting or any other enhanced benefits with respect to any awards under any Ominto Equity Plan, or any enhanced severance benefits under this Agreement or otherwise, as a result of a change in control (or any similar event).

Kusche and Sorenson

We entered into an employment agreement with each of Andreas Kusche and Betina Dupont Sorenson that was previously extended until September 30, 2016. The original agreements provided that upon termination of employment by the Company, other than for “cause,” or “disability” each was entitled to receive any unpaid salary, bonus and unreimbursed expenses plus severance payments equal to (i) pro rata bonus for the fiscal year of termination based on actual performance through the end of the applicable fiscal year and the number of days that elapsed in the fiscal year through the date of termination, (ii) 18 monthly payments of base salary and target annual bonus following termination, (iii) continuation of medical benefits for 18 months, and (iv) accelerated vesting of any outstanding options or stock awards. Upon termination upon death or disability, each would receive the above described benefits except that no base salary and or target annual bonus would be due. As of October 1, 2015, we entered into a replacement agreement with a consulting company owned by each of them, and the replacement agreement reduced the severance upon termination from 18 months to 6 months to comport with the severance provided to the other executive officers of the Company.

On September 1, 2016, Ms. Sorenson entered into a new employment agreement with the Company which superseded her previous agreement and appointed her as Chief Operating Officer for a term of five years, renewable for each successive one-year period. Under the employment agreement, Ms. Sorenson is paid an annual base salary of \$240,000 and is due a severance payment of three months of base salary in the event she is terminated without cause in the first 12 months of her employment, which shall increase to six months of base salary if terminated thereafter. The percentage of shares owned is calculated based upon 18,040,791 outstanding shares as of May 12, 2017. Unless otherwise indicated, the address for each stockholder listed in the following table is c/o Ominto, Inc. at 1515 S. Federal Highway, Suite 307, Boca Raton, Florida 33432.

1. any bankruptcy petition filed by or against any business of which such person was a general partner or executive officer either at the time of the bankruptcy or within two years prior to that time;

PROPOSAL 2 – TO RATIFY THE APPROVAL AND ADOPTION OF THE 2017 OMNIBUS INCENTIVE PLAN

On May 10, 2017, the Board approved, subject to stockholder approval, the Ominto, Inc. 2017 Omnibus Incentive Plan (the “2017 Plan”). If the 2017 Plan is approved by our stockholders, it will authorize the issuance of a number of shares of our common stock equal to 3,275,000 shares. The 2017 Plan will replace the 2010 Plan, and no new awards will be granted under the 2010 Plan. Any awards outstanding under the 2010 Plan on the date of stockholder approval of the 2017 Plan will remain subject to and be paid under the 2010 Plan, and any shares subject to outstanding awards under the 2010 Plan that subsequently expire, terminate, or are surrendered or forfeited for any reason without issuance of shares will automatically become available for issuance under the 2017 Plan.

The Board recommends that stockholders approve the 2017 Plan. The purposes of the 2017 Plan are to enhance the Company’s ability to attract and retain highly qualified officers, non-employee directors, key employees, and consultants, and to motivate such service providers to serve the Company and to expend maximum effort to improve the business results and earnings of the Company, by providing to such persons an opportunity to acquire or increase a direct proprietary interest in the operations and future success of the Company. The 2017 Plan also allows the Company to promote greater ownership in the Company by such service providers in order to align their interests more closely with the interests of our stockholders. Stockholder approval of the 2017 Plan will also enable the Company to grant awards under the 2017 Plan that are designed to qualify for special tax treatment under Section 422 of the Internal Revenue Code, and to enable the Company to design both cash-based and equity-based awards intended to be fully deductible as “performance-based compensation” under Section 162(m) of the Internal Revenue Code (“Section 162(m”).

Under Section 162(m), we are generally prohibited from deducting compensation paid to certain “covered employees” in excess of \$1.0 million per person in any year. Compensation that qualifies as “performance-based” is not subject to the \$1.0 million limit. In general, one of the requirements that must be satisfied to qualify as “performance-based” compensation is that the material terms of the performance goals under which the compensation may be paid must be disclosed to and approved by a majority vote of our stockholders, generally at least once every five years. For purposes of Section 162(m), the material terms of the performance goals generally include (a) the individuals eligible to receive compensation upon achievement of performance goals, (b) a description of the business criteria on which the performance goals may be based, and (c) the maximum amount that can be paid to an individual upon attainment of the performance goals. By approving the 2017 Plan, stockholders also will be approving the material terms of the performance goals under the 2017 Plan. The material terms of the performance goals for the 2017 Plan are disclosed below under “Summary of the 2017 Plan.” Although stockholder approval of the 2017 Plan will provide flexibility to grant awards under the 2017 Plan that qualify as “performance-based” compensation under Section 162(m), we retain the ability to grant awards under the 2017 Plan that do not qualify as “performance-based” compensation under Section 162(m).

Key Features

The following features of the 2017 Plan will protect the interests of our stockholders:

- *Limitation on terms of stock options and stock appreciation rights.* The maximum term of each stock option and stock appreciation right, or SARs, is ten years.
- *No repricing or grant of discounted stock options.* The 2017 Plan does not permit the repricing of options or stock appreciation rights either by amending an existing award or by substituting a new award at a lower price. The 2017 Plan prohibits the granting of stock options or stock appreciation rights with an exercise price less than the fair market value of the common stock on the date of grant.
- *No single-trigger acceleration.* Under the 2017 Plan we do not automatically accelerate vesting of awards in connection with a change in control of the Company.

- *Dividends.* We do not pay dividends or dividend equivalents on stock options or stock appreciation rights. Dividends or dividend equivalents on and share-based awards (whether time-vesting or performance-vesting) are payable only if and to the extent the underlying award is earned.

Summary of the 2017 Plan

The following is a summary of certain principal features of the 2017 Plan. This summary is qualified in its entirety by reference to the complete text of the 2015 Plan. Stockholders are urged to read the actual text of the 2017 Plan in its entirety which is set forth as [Annex A](#) to this proxy statement.

Number of Authorized Shares

The number of shares of common stock authorized for issuance under the 2017 Plan is 3,275,000 shares, representing approximately 16.9% of the fully diluted common shares outstanding as of May 12, 2017. In addition, as of the date of stockholder approval of the 2017 Plan, any awards then outstanding under the 2010 Plan will remain subject to and be paid under the 2010 Plan and any shares then subject to outstanding awards under the 2010 Plan that subsequently expire, terminate, or are surrendered or forfeited for any reason without issuance of shares will automatically become available for issuance under the 2017 Plan. Up to 3,275,000 shares may be granted as incentive stock options under Section 422 of the Internal Revenue Code. The shares of common stock issuable under the 2017 Plan will consist of authorized and unissued shares, treasury shares, or shares purchased on the open market or otherwise.

If any award is canceled, terminates, expires or lapses for any reason prior to the issuance of shares or if shares are issued under the 2017 Plan and thereafter are forfeited to the Company, the shares subject to such awards and the forfeited shares will again be available for grant under the 2017 Plan. In addition, the following items will not count against the aggregate number of shares of common stock available for grant under the 2017 Plan: (a) the payment in cash of dividends or dividend equivalents under any outstanding award, (b) any award that is settled in cash rather than by issuance of shares of common stock, or (c) awards granted in assumption of or in substitution for awards previously granted by an acquired Company. Shares tendered or withheld to pay the option exercise price or tax withholding will continue to count against the aggregate number of shares of common stock available for grant under the 2017 Plan.

Eligibility

Awards may be granted under the 2017 Plan to officers, employees, and consultants of the Company and its subsidiaries and to non-employee directors of the Company. Incentive stock options may be granted only to employees of the Company or its subsidiaries. As of May 12, 2017, approximately 125 individuals were eligible to receive awards under the 2017 Plan, including four executive officers and five non-employee directors.

Administration

The 2017 Plan may be administered by the Compensation Committee. The Compensation Committee, in its discretion, selects the individuals to whom awards may be granted, the time or times at which such awards are granted, and the terms of such awards.

Awards to Non-employee Directors

No share-based awards may be granted under the 2017 Plan during any one year to a non-employee director that exceed, together with any cash compensation received for such service, \$500,000, or \$600,000 in case of a non-employee director serving as Chair of the Board, based on the grant date fair value for accounting purposes in the case of stock options or stock appreciation rights and based on the fair market value of the common stock underlying the award on the grant date for other equity-based awards.

Adjustments

If certain changes in the common stock occur by reason of any recapitalization, reclassification, stock split, reverse split, combination of shares, exchange of shares, stock dividend or other distribution payable in stock, or other increase or decrease in the common stock without receipt of consideration by the Company, or if there occurs any spin-off, split-up, extraordinary cash dividend or other distribution of assets by the Company, the number and kind of securities for which stock options and other stock-based awards may be made under the 2017 Plan, including the individual award limits for “performance-based” compensation under Section 162(m), will be equitably adjusted by the Company. In addition, if there occurs any spin-off, split-up, extraordinary cash dividend or other distribution of assets by the Company, the number and kind of securities subject to any outstanding awards and the exercise price of any outstanding stock options or SARs will be equitably adjusted by the Company.

Types of Awards

The 2017 Plan permits the granting of any or all of the following types of awards:

- *Stock Options.* Stock options entitle the holder to purchase a specified number of shares of common stock at a specified price (the exercise price), subject to the terms and conditions of the stock option grant. The Compensation Committee may grant either incentive stock options, which must comply with Section 422 of the Internal Revenue Code, or nonqualified stock options. The Compensation Committee sets exercise prices and terms, except that stock options must be granted with an exercise price not less than 100% of the fair market value of the common stock on the date of grant (excluding stock options granted in connection with assuming or substituting stock options in acquisition transactions). Unless the Compensation Committee determines otherwise, fair market value means, as of a given date, the closing price of the common stock. (The fair market value of a share of our common stock as of May 12, 2017 was \$9.78.) At the time of grant, the Compensation Committee determines the terms and conditions of stock options, including the quantity, exercise price, vesting periods, term (which cannot exceed ten years) and other conditions on exercise.
- *Stock Appreciation Rights.* The Compensation Committee may grant SARs, as a right in tandem with the number of shares underlying stock options granted under the 2017 Plan or as a freestanding award. Upon exercise, SARs entitle the holder to receive payment per share in stock or cash, or in a combination of stock and cash, equal to the excess of the share’s fair market value on the date of exercise over the grant price of the SAR. The grant price of a tandem SAR is equal to the exercise price of the related stock option and the grant price for a freestanding SAR is determined by the Compensation Committee in accordance with the procedures described above for stock options. Exercise of a SAR issued in tandem with a stock option will reduce the number of shares underlying the related stock option to the extent of the SAR exercised. The term of a freestanding SAR cannot exceed ten years, and the term of a tandem SAR cannot exceed the term of the related stock option.
- *Restricted Stock, Restricted Stock Units and Other Stock-Based Awards.* The Compensation Committee may grant awards of restricted stock, which are shares of common stock subject to specified restrictions, and restricted stock units, which represent the right to receive shares of the common stock in the future. These awards may be made subject to repurchase, forfeiture or vesting restrictions at the Compensation Committee’s discretion. The restrictions may be based on continuous service with the Company or the attainment of specified performance goals, as determined by the Compensation Committee. Stock units may be paid in stock or cash or a combination of stock and cash, as determined by the Compensation Committee. The Compensation Committee may also grant other types of equity or equity-based awards subject to the terms of the 2017 Plan and any other terms and conditions determined by the Compensation Committee.

- *Performance Awards.* The Compensation Committee may grant performance awards, which entitle participants to receive a payment from the Company, the amount of which is based on the attainment of performance goals established by the Compensation Committee over a specified award period. Performance awards may be denominated in shares of common stock or in cash, and may be paid in stock or cash or a combination of stock and cash, as determined by the Compensation Committee. Cash-based performance awards include annual incentive awards.

No Repricing

Without stockholder approval, the Compensation Committee is not authorized to (a) lower the exercise or grant price of a stock option or SAR after it is granted, except in connection with certain adjustments to our corporate or capital structure permitted by the 2017 Plan, such as stock splits, (b) take any other action that is treated as a repricing under generally accepted accounting principles or (c) cancel a stock option or SAR at a time when its exercise or grant price exceeds the fair market value of the underlying stock, in exchange for cash, another stock option or SAR, restricted stock, restricted stock units or other equity award, unless the cancellation and exchange occur in connection with a change in capitalization or other similar change.

Clawback

All cash and equity awards granted under the 2017 Plan will be subject to the requirements of Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act regarding the recovery of erroneously awarded compensation, any implementing rules and regulations under such act, any policies adopted by the Company to implement such requirements, and any other compensation recovery policies as may be adopted from time to time by the Company.

Performance-Based Compensation under Section 162(m)

Performance Goals and Criteria. Under Section 162(m), we generally are prohibited from deducting compensation paid to our principal executive officer and our three other most highly compensated executive officers (other than our chief financial officer) in excess of \$1.0 million per person in any year. However, compensation that qualifies as “performance-based” is not subject to the \$1.0 million limit.

If the Compensation Committee intends to qualify an award under the 2017 Plan as “performance-based” compensation under Section 162(m), the performance goals selected by the Compensation Committee may be based on the attainment of specified levels of one, or any combination, of the following performance criteria: (i) cash flow; (ii) earnings per share; (iii) earnings or income measures (including EBITDA); (iv) return measures (including return on assets, capital, invested capital, equity, sales, or revenue); (v) total stockholder return; (vi) share price performance; (vii) revenue; (viii) profit margin; (ix) customer metrics (including customer satisfaction, customer retention, or customer profitability); (x) productivity; (xi) expense targets; (xii) market share; (xiii) cost control measures; (xiv) balance sheet metrics; (xv) strategic initiatives; (xvi) implementation, completion or attainment of measurable objectives with respect to recruitment or retention of personnel or employee satisfaction; (xvii) successful completion of, or achievement of milestones or objectives related to, financing or capital raising transactions, strategic acquisitions or divestitures, joint ventures, partnerships, collaborations, or other transactions; (xviii) debt levels or reduction or debt ratios; (xix) operating efficiency; (xx) working capital targets; or (xxi) any combination of the forgoing business criteria. The Compensation Committee can also select any derivations of these business criteria (e.g., income includes pre-tax income, net income, or operating income).

Performance goals may, in the discretion of the Compensation Committee, be established on a company-wide basis, or with respect to one or more business units, divisions, subsidiaries or business segments, as applicable. Performance goals may be absolute or relative to the performance of one or more comparable companies or indices or based on year-over-year growth.

The Compensation Committee may determine at the time that the performance goals are established the extent to which measurement of performance goals may exclude the impact of charges for restructuring, discontinued operations, debt redemption or retirement, asset write downs, litigation or claim judgments or settlements, acquisitions or divestitures, foreign exchange gains and losses, and other unusual non-recurring items, and the cumulative effects of tax or accounting changes.

In addition, compensation realized from the exercise of options and SARs granted under the 2017 Plan is intended to meet the requirements of the performance-based compensation exception under Section 162(m). These awards must have an exercise price equal at least to fair market value at the date of grant, are granted to covered individuals by a Compensation Committee consisting of at least two outside directors, and the 2017 Plan limits the number of shares that may be the subject of awards granted to any individual during any calendar year.

Limitations. Subject to certain adjustments for changes in our corporate or capital structure described above, a participant may not be granted in any calendar year (i) stock options or stock appreciation rights for more than 1,000,000 shares or (ii) share-based performance awards (including performance-based restricted stock, restricted stock units and other stock-based awards) that are intended to qualify as “performance-based” compensation under Section 162(m) for more than 500,000 shares. The maximum amount of cash-based performance awards intended to qualify as “performance-based compensation” under Section 162(m) granted to a participant in any calendar year may not exceed the following: (i) annual incentive award: \$3,000,000; and (ii) all other cash-based performance awards: \$3,000,000.

Transferability

Awards are not transferable other than by will or the laws of descent and distribution, except that in certain instances transfers may be made to or for the benefit of designated family members of the participant for no value.

Change in Control

Under the 2017 Plan, in the event of a change in control, the Board may determine to take any one or a combination of the following actions with respect to outstanding awards: (i) cause the awards to be assumed or replaced with an substantially equivalent award in the acquirer’s stock, (ii) cause the awards to be vested and exercisable, or (iii) cash the awards out based on the transaction value. “Change in control” is defined under the Plan and requires consummation of the applicable transaction.

Term, Termination and Amendment of the 2017 Plan

Unless earlier terminated by the Board, the 2017 Plan will terminate, and no further awards may be granted, ten years after the date on which it is approved by stockholders. The Board may amend, suspend or terminate the 2017 Plan at any time, except that, if required by applicable law, regulation or stock exchange rule, stockholder approval will be required for any amendment. The amendment, suspension or termination of the 2017 Plan or the amendment of an outstanding award generally may not, without a participant’s consent, materially impair the participant’s rights under an outstanding award.

New Plan Benefits

A new plan benefits table for the 2017 Plan and the benefits or amounts that would have been received by or allocated to participants for the last completed fiscal year under the 2017 Plan if the 2017 Plan was then in effect, as described in the federal proxy rules, are not provided because all awards made under the 2017 Plan will be made at the Compensation Committee’s discretion, subject to the terms of the 2017 Plan. Therefore, the benefits and amounts that will be received or allocated under the 2017 Plan are not determinable at this time. The equity grant program for our non-employee directors is described under the Director Compensation section in this proxy statement.

Federal Income Tax Information

The following is a brief summary of the U.S. federal income tax consequences of the 2017 Plan generally applicable to the Company and to participants in the 2017 Plan who are subject to U.S. federal taxes. The summary is based on the Internal Revenue Code, applicable Treasury Regulations and administrative and judicial interpretations thereof, each as in effect on the date of this proxy statement, and is, therefore, subject to future changes in the law, possibly with retroactive effect. The summary is general in nature and does not purport to be legal or tax advice. Furthermore, the summary does not address issues relating to any U.S. gift or estate tax consequences or the consequences of any state, local or foreign tax laws.

Nonqualified Stock Options

A participant generally will not recognize taxable income upon the grant or vesting of a nonqualified stock option with an exercise price at least equal to the fair market value of our common stock on the date of grant and no additional deferral feature. Upon the exercise of a nonqualified stock option, a participant generally will recognize compensation taxable as ordinary income in an amount equal to the difference between the fair market value of the shares underlying the stock option on the date of exercise and the exercise price of the stock option. When a participant sells the shares, the participant will have short-term or long-term capital gain or loss, as the case may be, equal to the difference between the amount the participant received from the sale and the tax basis of the shares sold. The tax basis of the shares generally will be equal to the greater of the fair market value of the shares on the exercise date or the exercise price of the stock option.

Incentive Stock Options

A participant generally will not recognize taxable income upon the grant of an incentive stock option. If a participant exercises an incentive stock option during employment or within three months after employment ends (12 months in the case of permanent and total disability), the participant will not recognize taxable income at the time of exercise for regular U.S. federal income tax purposes (although the participant generally will have taxable income for alternative minimum tax purposes at that time as if the stock option were a nonqualified stock option). If a participant sells or otherwise disposes of the shares acquired upon exercise of an incentive stock option after the later of (a) one year from the date the participant exercised the option and (b) two years from the grant date of the stock option, the participant generally will recognize long-term capital gain or loss equal to the difference between the amount the participant received in the disposition and the exercise price of the stock option. If a participant sells or otherwise disposes of shares acquired upon exercise of an incentive stock option before these holding period requirements are satisfied, the disposition will constitute a “disqualifying disposition,” and the participant generally will recognize taxable ordinary income in the year of disposition equal to the excess of the fair market value of the shares on the date of exercise over the exercise price of the stock option (or, if less, the excess of the amount realized on the disposition of the shares over the exercise price of the stock option). The balance of the participant’s gain on a disqualifying disposition, if any, will be taxed as short-term or long-term capital gain, as the case may be.

With respect to both nonqualified stock options and incentive stock options, special rules apply if a participant uses shares of common stock already held by the participant to pay the exercise price or if the shares received upon exercise of the stock option are subject to a substantial risk of forfeiture by the participant.

Stock Appreciation Rights

A participant generally will not recognize taxable income upon the grant or vesting of a SAR with a grant price at least equal to the fair market value of our common stock on the date of grant and no additional deferral feature. Upon the exercise of a SAR, a participant generally will recognize compensation taxable as ordinary income in an amount equal to the difference between the fair market value of the shares underlying the SAR on the date of exercise and the grant price of the SAR.

Restricted Stock Awards, Restricted Stock Units, and Performance Awards

A participant generally will not have taxable income upon the grant of restricted stock, restricted stock units or performance awards. Instead, the participant will recognize ordinary income at the time of vesting or payout equal to the fair market value (on the vesting or payout date) of the shares or cash received minus any amount paid. For restricted stock only, a participant may instead elect to be taxed at the time of grant.

Other Stock or Cash-Based Awards

The U.S. federal income tax consequences of other stock or cash-based awards will depend upon the specific terms of each award.

Tax Consequences to the Company.

In the foregoing cases, we generally will be entitled to a deduction at the same time, and in the same amount, as a participant recognizes ordinary income, subject to certain limitations imposed under the Internal Revenue Code.

Section 409A. We intend that awards granted under the 2017 Plan comply with, or otherwise be exempt from, Section 409A of the Internal Revenue Code, but make no representation or warranty to that effect.

Tax Withholding. - If any Award expires, or is terminated, surrendered or forfeited, in whole or in part, the unissued Shares covered by such Award shall again be available for the grant of Awards.
- If Shares issued pursuant to the Plan are repurchased by, or are surrendered or forfeited to the Company at no more than cost, such Shares shall again be available for the grant of Awards.
- If Shares issuable upon exercise, vesting or settlement of an Award, or Shares owned by a Participant (which are not subject to any pledge or other security interest), are surrendered or tendered to the Company in payment of the Option Price or Purchase Price of an Award or any taxes required to be withheld in respect of an Award, in each case, in accordance with the terms of the Plan and any applicable Award Agreement, such surrendered or tendered Shares shall not be available again for the grant of Awards.

- Substitute Awards shall not be counted against the number of Shares available for the grant of Awards.

- **Award Limits**

- **Incentive Stock Options**

Subject to adjustment under **Section 15**, all Shares available for issuance under the Plan shall be available for issuance as Incentive Stock Options.

- **Individual Award Limits for Section 162(m) – Share-Based Awards**

Subject to adjustment under **Section 15**, the maximum number of each type of Award (other than cash-based Performance Awards) granted to any Participant in any calendar year shall not exceed the following number of Shares: (i) Options and SARs: 1,000,000 Shares; and (ii) all share-based Performance Awards (including Restricted Stock, RSUs and Other Share-based Awards that are Performance Awards): 500,000 Shares.

- **Individual Award Limits for Section 162(m) – Cash-Based Awards**

The maximum amount of cash-based Performance Awards intended to qualify as Performance-Based Compensation granted to any Participant in any calendar year shall not exceed the following: (i) Annual Incentive Awards: \$3,000,000; and (ii) all other cash-based Performance Awards: \$3,000,000.

- **Director Awards**

The maximum value of Awards granted during any calendar year to any Non-employee Director, taken together with any cash fees paid to such Non-employee Director during the calendar year and the value of awards granted to the Non-employee Director under any other equity compensation plan of the Company or an Affiliate during the calendar year, shall not exceed the following in total value (calculating the value of any Awards or other equity compensation plan awards based on the fair market value as of grant date for financial reporting purposes): (i) \$600,000 for the non-employee Chair of the Board and (ii) \$500,000 for each Non-employee Director other than the Chair of the Board; *provided, however*, that awards granted to Non-employee Directors upon their initial election to the Board or the board of directors of an Affiliate shall not be counted towards the limit under this **Section 4.3.4**.

- **EFFECTIVE DATE, DURATION AND AMENDMENTS**

- **Term**

The Plan shall be effective as of the Effective Date, *provided* that it has been approved by the Stockholders. The Plan shall terminate automatically on the 10-year anniversary of the Effective Date and may be terminated on any earlier date as provided in **Section 5.2**.

- **Amendment and Termination of the Plan**

The Board may, at any time and from time to time, amend, suspend or terminate the Plan as to any Awards which have not been made. An amendment shall be contingent on approval of the Stockholders to the extent stated by the Board, required by applicable law or required by applicable securities exchange listing requirements. No Awards shall be made after the Termination Date. The applicable terms of the Plan, and any terms applicable to Awards granted prior to the Termination Date, shall survive the termination of the Plan and continue to apply to such Awards. No amendment, suspension or termination of the Plan shall, without the consent of the Participant, materially impair rights or obligations under any Award theretofore awarded.

- **AWARD ELIGIBILITY AND LIMITATIONS**

- **Service Providers**

Subject to this **Section 6**, Awards may be made to any Service Provider as the Board may determine and designate from time to time.

- **Successive Awards**

An eligible person may receive more than one Award, subject to such restrictions as are provided herein.

- **Stand-Alone, Additional, Tandem, and Substitute Awards**

Awards may be granted either alone or in addition to, in tandem with, or in substitution or exchange for, any other Award or any award granted under another plan of the Company, any Affiliate or any business entity to be acquired by the Company or an Affiliate, or any other right of a Participant to receive payment from the Company or any Affiliate. Such additional, tandem or substitute or exchange Awards may be granted at any time. If an Award is granted in substitution or exchange for another award, the Board shall have the right to require the surrender of such other award in consideration for the grant of the new Award. Subject to the requirements of applicable law, the Board may make Awards in substitution or exchange for any other award under another plan of the Company, any Affiliate or any business entity to be acquired by the Company or an Affiliate. In addition, Awards may be granted in lieu of cash compensation, including in lieu of cash amounts payable under other plans of the Company or any Affiliate, in which the value of Shares subject to the Award is equivalent in value to the cash compensation (for example, RSUs or Restricted Stock).

- **AWARD AGREEMENT**

The grant of any Award may be contingent upon the Participant executing an appropriate Award Agreement, in such form or forms as the Board shall from time to time determine. Without limiting the foregoing, an Award Agreement may be provided in the form of a notice which provides that acceptance of the Award constitutes acceptance of all terms of the Plan and the notice. Award Agreements granted from time to time or at the same time need not contain similar provisions but shall be consistent with the terms of the Plan. Each Award Agreement evidencing an Award of Options shall specify whether such Options are intended to be Nonqualified Stock Options or Incentive Stock Options, and in the absence of such specification such options shall be deemed Nonqualified Stock Options.

- **TERMS AND CONDITIONS OF OPTIONS**

- **Option Price**

The Option Price of each Option shall be fixed by the Board and stated in the related Award Agreement. The Option Price of each Option (except those that constitute Substitute Awards) shall be at least the Fair Market Value on the Grant Date; *provided, however*, that in the event that a Participant is a Ten Percent Stockholder as of the Grant Date, the Option Price of an Option granted to such Participant that is intended to be an Incentive Stock Option shall be not less than 110 percent of the Fair Market Value on the Grant Date. In no case shall the Option Price of any Option be less than the par value of a Share.

- **Vesting**

Subject to **Section 8.3**, each Option shall become exercisable at such times and under such conditions (including performance requirements) as stated in the Award Agreement.

- **Term**

Each Option shall terminate, and all rights to purchase Shares thereunder shall cease, upon the expiration of the Option term stated in the Award Agreement not to exceed 10 years from the Grant Date, or under such circumstances and on such date prior thereto as is set forth in the Plan or as may be fixed by the Board and stated in the related Award Agreement; *provided, however*, that in the event that the Participant is a Ten Percent Stockholder, an Option granted to such Participant that is intended to be an Incentive Stock Option at the Grant Date shall not be exercisable after the expiration of five years from its Grant Date.

- **Limitations on Exercise of Option**

Notwithstanding any other provision of the Plan, in no event may any Option be exercised, in whole or in part, (i) prior to the date the Plan is approved by the Stockholders as provided herein or (ii) after the occurrence of an event which results in termination of the Option.

- **Method of Exercise**

An Option that is exercisable may be exercised by the Participant's delivery of a notice of exercise to the Company, setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for the Shares. To be effective, notice of exercise must be made in accordance with procedures established by the Company from time to time.

- **Rights of Holders of Options**

Unless otherwise provided in the applicable Award Agreement, an individual holding or exercising an Option shall have none of the rights of a Stockholder (for example, the right to receive cash or dividend payments or distributions attributable to the subject Shares or to direct the voting of the subject Shares) until the Shares covered thereby are fully paid and issued to him or her. Except as provided in **Section 15** or the related Award Agreement, no adjustment shall be made for dividends, distributions or other rights for which the record date is prior to the date of such issuance.

- **Delivery of Stock Certificates**

Subject to **Section 3.5**, promptly after the exercise of an Option by a Participant and the payment in full of the Option Price, such Participant shall be entitled to the issuance of a stock certificate which evidences, or electronic notice of a book entry which record, his or her ownership of the Shares subject to the Option.

- **Limitations on Incentive Stock Options**

An Option shall constitute an Incentive Stock Option only (i) if the Participant of such Option is an employee of the Company or any Subsidiary of the Company; (ii) to the extent specifically provided in the related Award Agreement; and (iii) to the extent that the aggregate Fair Market Value (determined at the time the Option is granted) of the Shares with respect to which all Incentive Stock Options held by such Participant become exercisable for the first time during any calendar year (under the Plan and all other plans of the Participant's employer and its Affiliates) does not exceed \$100,000. This limitation shall be applied by taking Options into account in the order in which they were granted. No Option shall be treated as an Incentive Stock Option unless the Plan has been approved by the Stockholders in a manner intended to comply with the stockholder approval requirements of Code Section 422(b)(1); *provided, however*, that any Option intended to be an Incentive Stock Option shall not fail to be effective solely on account of a failure to obtain such approval, but rather such Option shall be treated as a Nonqualified Stock Option unless and until such stockholder approval is obtained.

- **TERMS AND CONDITIONS OF STOCK APPRECIATION RIGHTS (SARs)**

- **Right to Payment**

A SAR shall confer on the Participant a right to receive, upon exercise thereof, the excess of (i) the Fair Market Value on the date of exercise over (ii) the SAR Exercise Price, as determined by the Board. The Award Agreement for a SAR (except those that constitute Substitute Awards) shall specify the SAR Exercise Price, which shall be fixed on the Grant Date as not less than the Fair Market Value on that date. SARs may be granted alone or in conjunction with all or part of an Option or at any subsequent time during the term of such Option or in conjunction with all or part of any other Award. A SAR granted in tandem with an outstanding Option following the Grant Date of such Option shall have a grant price that is equal to the Option Price; *provided, however*, that the SAR's grant price may not be less than the Fair Market Value on the Grant Date of the SAR to the extent required by Section 409A.

- **Other Terms**

The Board shall determine at the Grant Date or thereafter, the time or times at which and the circumstances under which a SAR may be exercised in whole or in part (including based on achievement of performance goals or future service requirements), the time or times at which SARs shall cease to be or become exercisable following Separation from Service or upon other conditions, the method of exercise, whether or not a SAR shall be in tandem or in combination with any other Award and any other terms of any SAR.

- **Term of SARs**

The term of a SAR granted under the Plan shall be determined by the Board; *provided, however*, that such term shall not exceed 10 years.

- **Payment of SAR Amount**

Upon exercise of a SAR, a Participant shall be entitled to receive payment from the Company (in cash or Shares, as set forth in the Award Agreement) in an amount determined by multiplying:

- (i) the difference between the Fair Market Value on the date of exercise over the SAR Exercise Price; by
- (ii) the number of Shares with respect to which the SAR is exercised.

- **TERMS AND CONDITIONS OF RESTRICTED STOCK AND RESTRICTED STOCK UNITS (RSUs)**

- **Restrictions (applicable to Restricted Stock and RSUs)**

At the time of grant, the Board may establish a period of time (a “**Service Period**”) and any additional restrictions including the satisfaction of corporate or individual performance objectives applicable to an Award of Restricted Stock or RSUs. Each Award of Restricted Stock or RSUs may be subject to a different Service Period and additional restrictions. Neither Restricted Stock nor RSUs may be sold, transferred, assigned, pledged or otherwise encumbered or disposed of during the Service Period or prior to the satisfaction of any other applicable restrictions.

- **Delivery of Shares (applicable to Restricted Stock and RSUs)**

Subject to **Section 3.5**, upon the expiration or termination of any Service Period and the satisfaction of any other conditions prescribed by the Board, the restrictions applicable to Shares of Restricted Stock or RSUs settled in Shares shall lapse, and, unless otherwise provided in the applicable Award Agreement, a stock certificate for such Shares shall be delivered, free of all such restrictions, to the Participant or the Participant’s beneficiary or estate, as the case may be.

- **Rights of Holders of Restricted Stock (applicable to Restricted Stock, not RSUs)**

Unless otherwise provided in the applicable Award Agreement, holders of Restricted Stock shall have rights as Stockholders, including voting and dividend rights; *provided, however*, any dividends with respect to the Restricted Stock shall be withheld by the Company for the Participant's account, and interest may be credited on the amount of the dividends withheld at a rate and subject to such terms as determined by the Committee. The dividends so withheld by the Committee and attributable to any particular share of Restricted Stock (and earnings thereon, if applicable) shall be distributed to the Participant in cash or, at the discretion of the Committee, in Shares having a Fair Market Value equal to the amount of such dividends, if applicable, upon the release of restrictions on such Share and, if such Share is forfeited, the Participant shall have no right to such dividends.

- **Purchase of Restricted Stock (applicable to Restricted Stock, not RSUs)**

The Participant shall be required, to the extent required by applicable law, to purchase the Restricted Stock from the Company at a Purchase Price equal to the greater of (i) the aggregate par value of the Shares represented by such Restricted Stock or (ii) the Purchase Price, if any, specified in the related Award Agreement. If specified in the Award Agreement, the Purchase Price may be deemed paid by services already rendered. The Purchase Price shall be payable in a form described in **Section 11** or, if so determined by the Board, in consideration for past services rendered.

- **Restricted Stock Certificates (applicable to Restricted Stock, not RSUs)**

Subject to **Section 3.5**, the Company shall issue, in the name of each Participant to whom Restricted Stock has been granted, stock certificates or other evidence of ownership representing the total number of Shares of Restricted Stock granted to the Participant, as soon as reasonably practicable after the Grant Date. The Board may provide in an Award Agreement that either (i) the Secretary of the Company shall hold any stock certificates for the Participant's benefit until such time as the Restricted Stock is forfeited to the Company or the restrictions lapse or (ii) such certificates shall be delivered to the Participant; *provided, however*, that such certificates shall bear a legend or legends that comply with the applicable securities laws and regulations and make appropriate reference to the restrictions imposed under the Plan and the Award Agreement.

- **Rights of Holders of RSUs (applicable to RSUs, not Restricted Stock)**

- **Settlement of RSUs**

RSUs may be settled in cash or Shares, as set forth in the Award Agreement. The Award Agreement shall also set forth whether the RSUs shall be settled (i) within the time period specified in Section 409A for short term deferrals or (ii) otherwise within the requirements of Section 409A, in which case the Award Agreement shall specify upon which events such RSUs shall be settled.

- **Voting and Dividend Rights**

Unless otherwise provided in the applicable Award Agreement, holders of RSUs shall not have rights as Stockholders, including voting or dividend or dividend equivalents rights. Dividend equivalent rights may be granted with respect to RSUs pursuant to **Section 17.10**.

■ **Creditor's Rights**

A holder of RSUs shall have no rights other than those of a general creditor of the Company. RSUs represent an unfunded and unsecured obligation of the Company, subject to the terms of the applicable Award Agreement.

● **FORM OF PAYMENT FOR OPTIONS AND RESTRICTED STOCK**

○ **General Rule**

Payment of the Option Price for the Shares purchased pursuant to the exercise of an Option or the Purchase Price for Restricted Stock shall be made in cash or in cash equivalents acceptable to the Company, except as provided in this **Section 11**.

○ **Surrender of Shares**

To the extent the Award Agreement so provides, payment of the Option Price for Shares purchased pursuant to the exercise of an Option or the Purchase Price for Restricted Stock may be made all or in part through the tender to the Company of Shares, which Shares shall be valued, for purposes of determining the extent to which the Option Price or Purchase Price for Restricted Stock has been paid thereby, at their Fair Market Value on the date of exercise or surrender. Notwithstanding the foregoing, in the case of an Incentive Stock Option, the right to make payment in the form of already-owned Shares may be authorized only at the time of grant.

○ **Cashless Exercise**

With respect to an Option only (and not with respect to Restricted Stock), to the extent permitted by law and to the extent the Award Agreement so provides, payment of the Option Price may be made all or in part by delivery (on a form acceptable to the Company) of an irrevocable direction to a licensed securities broker acceptable to the Company to sell Shares and to deliver all or part of the sales proceeds to the Company in payment of the Option Price and any withholding taxes described in **Section 17.3**.

○ **Other Forms of Payment**

To the extent the Award Agreement so provides, payment of the Option Price or the Purchase Price for Restricted Stock may be made in any other form that is consistent with applicable laws, regulations and rules, including the Company's withholding of Shares otherwise due to the exercising Participant.

● **TERMS AND CONDITIONS OF PERFORMANCE AWARDS**

○ **Performance Conditions**

The right of a Participant to exercise or receive a grant or settlement of any Award, and the timing thereof, may be subject to such performance conditions as may be specified by the Board. The Board may use such business criteria and other measures of performance as it may deem appropriate in establishing any performance conditions, and may reduce the amounts payable under any Award subject to performance conditions, except as limited under **Section 12.2** in the case of Performance-Based Compensation.

- **Performance Awards Granted to Designated Covered Employees**

If and to the extent that the Board determines that a Performance Award to be granted to a Participant who is designated by the Board as likely to be a Covered Employee should qualify as Performance-Based Compensation, the grant, exercise or settlement of such Performance Award shall be contingent upon achievement of pre-established performance goals and other terms set forth in this **Section 12.2**. Notwithstanding anything herein to the contrary, the Board may provide for Performance Awards to Covered Employees that are not intended to qualify as Performance-Based Compensation.

- **Performance Goals Generally**

The performance goals for Performance Awards shall consist of one or more business criteria and a targeted level or levels of performance with respect to each of such criteria, as specified by the Board consistent with this **Section 12.2**. Performance goals shall be objective and shall otherwise meet the requirements of Section 162(m), including the requirement that the level or levels of performance targeted by the Board result in the achievement of performance goals being “substantially uncertain.” The Board may determine that Performance Awards shall be granted, exercised or settled upon achievement of any one performance goal or that two or more of the performance goals must be achieved as a condition to grant, exercise or settlement of the Performance Awards. Performance goals may be established on a Company-wide basis, or with respect to one or more business units, divisions, Affiliates or business segments, as applicable. Performance goals may be absolute or relative (to the performance of one or more comparable companies or indices or based on year-over-year growth). To the extent consistent with the requirements of Section 162(m), the Committee may determine at the time that goals under this **Section 12** are established the extent to which measurement of performance goals may exclude the impact of charges for restructuring, discontinued operations, debt redemption or retirement, asset write downs, litigation or claim judgments or settlements, acquisitions or divestitures, foreign exchange gains and losses and other unusual or non-recurring items, and the cumulative effects of tax or accounting changes (each as defined by generally accepted accounting principles and as identified in the Company’s financial statements or other SEC filings). Performance goals may differ for Performance Awards granted to any one Participant or to different Participants.

- **Business Criteria**

One or more of the following business criteria for the Company, on a consolidated basis, or specified Affiliates or business units of the Company (except with respect to the total stockholder return and earnings per share criteria), shall be used exclusively by the Board in establishing performance goals for Performance Awards: (i) cash flow; (ii) earnings per share; (iii) earnings or income measures (including EBITDA); (iv) return measures (including return on assets, capital, invested capital, equity, sales, or revenue); (v) total stockholder return; (vi) share price performance; (vii) revenue; (viii) profit margin; (ix) customer metrics (including customer satisfaction, customer retention, or customer profitability); (x) productivity; (xi) expense targets; (xii) market share; (xiii) cost control measures; (xiv) balance sheet metrics; (xv) strategic initiatives; (xvi) implementation, completion or attainment of measurable objectives with respect to recruitment or retention of personnel or employee satisfaction; (xvii) successful completion of, or achievement of milestones or objectives related to, financing or capital raising transactions, strategic acquisitions or divestitures, joint ventures, partnerships, collaborations, or other transactions; (xviii) debt levels or reduction or debt ratios; (xix) operating efficiency; (xx) working capital targets; or (xxi) any combination of the foregoing business criteria; *provided, however*, that such business criteria shall include any derivations of business criteria listed above (*e.g.*, income shall include pre-tax income, net income and operating income).

- **Timing for Establishing Performance Goals**

Performance goals shall be established not later than 90 days after the beginning of any performance period applicable to Performance Awards, or at such other date as may be required or permitted for Performance-Based Compensation.

- **Settlement of Performance Awards; Other Terms**

Settlement of Performance Awards may be in cash, Shares, other Awards or other property. The Board may reduce the amount of a settlement otherwise to be made in connection with such Performance Awards.

- **Written Determinations**

All determinations by the Board as to the establishment of performance goals, the amount of any Performance Award pool or potential individual Performance Awards and the achievement of performance goals relating to Performance Awards, shall be made in writing in the case of any Award intended to qualify as Performance-Based Compensation to the extent required by Section 162(m). To the extent permitted by Section 162(m), the Board may delegate any responsibility relating to Performance Awards.

- **Status of Section 12.2 Awards under Section 162(m)**

It is the intent of the Company that Performance Awards under **Section 12.2** granted to persons who are designated by the Board as likely to be Covered Employees within the meaning of Section 162(m) shall, if so designated by the Board, qualify as Performance-Based Compensation. Accordingly, the terms of **Section 12.2**, including the definitions of Covered Employee and other terms used therein, shall be interpreted in a manner consistent with Section 162(m). The foregoing notwithstanding, because the Board cannot determine with certainty whether a given Participant will be a Covered Employee with respect to a fiscal year that has not yet been completed, the term Covered Employee as used herein shall mean only a person designated by the Board, at the time of grant of Performance Awards, as likely to be a Covered Employee with respect to that fiscal year. If any provision of the Plan or any agreement relating to such Performance Awards does not comply or is inconsistent with the requirements of Section 162(m), such provision shall be construed or deemed amended to the extent necessary to conform to such requirements.

- **OTHER SHARE-BASED AWARDS**

- **Grant of Other Share-based Awards**

Other Share-based Awards may be granted either alone or in addition to or in conjunction with other Awards. Other Share-based Awards may be granted in lieu of other cash or other compensation to which a Service Provider is entitled from the Company or may be used in the settlement of amounts payable in Shares under any other compensation plan or arrangement of the Company, including any other Company incentive compensation plan. The Board shall have the authority to determine the persons to whom and the time or times at which such Awards will be made, the number of Shares to be granted pursuant to such Awards, and all other terms of such Awards. Unless the Board determines otherwise, any such Award shall be confirmed by an Award Agreement, which shall contain such provisions as the Board determines to be necessary or appropriate to carry out the intent of the Plan with respect to such Award.

- **Terms of Other Share-based Awards**

Any Common Stock subject to Awards made under this **Section 13** may not be sold, assigned, transferred, pledged or otherwise encumbered prior to the date on which the Shares are issued, or, if later, the date on which any applicable restriction, performance or deferral period lapses.

- **REQUIREMENTS OF LAW**

- **General**

The Company shall not be required to sell or issue any Shares under any Award if the sale or issuance of such Shares would constitute a violation by the Participant, any other individual exercising an Option or the Company of any provision of any law or regulation of any governmental authority, including any federal or state securities laws or regulations. If at any time the Board determines that the listing, registration or qualification of any Shares subject to an Award upon any securities exchange or under any governmental regulatory body is necessary or desirable as a condition of, or in connection with, the issuance or purchase of Shares hereunder, no Shares may be issued or sold to the Participant or any other individual exercising an Option pursuant to such Award unless such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Company, and any delay caused thereby shall in no way affect the date of termination of the Award. Specifically, in connection with the Securities Act, upon the exercise of any Option or the delivery of any Shares underlying an Award, unless a registration statement under such Act is in effect with respect to the Shares covered by such Award, the Company shall not be required to sell or issue such Shares unless the Board has received evidence satisfactory to it that the Participant or any other individual exercising an Option may acquire such Shares pursuant to an exemption from registration under the Securities Act. The Company may, but shall in no event be obligated to, register any securities covered hereby pursuant to the Securities Act. The Company shall not be obligated to take any affirmative action in order to cause the exercise of an Option or the issuance of Shares pursuant to the Plan to comply with any law or regulation of any governmental authority. As to any jurisdiction that expressly imposes the requirement that an Option shall not be exercisable until the Shares covered by such Option are registered or are exempt from registration, the exercise of such Option (under circumstances in which the laws of such jurisdiction apply) shall be deemed conditioned upon the effectiveness of such registration or the availability of such an exemption. The Committee may require the Participant to sign such additional documentation, make such representations and furnish such information as it may consider appropriate in connection with the grant of Awards or issuance or delivery of Shares in compliance with applicable laws, rules and regulations.

- **Rule 16b-3**

During any time when the Company has a class of equity security registered under Section 12 of the Exchange Act, it is the intent of the Company that Awards and the exercise of Options will qualify for the exemption provided by Rule 16b-3 under the Exchange Act. To the extent that any provision of the Plan or action by the Board or Committee does not comply with the requirements of Rule 16b-3, it shall be deemed inoperative to the extent permitted by law and deemed advisable by the Board, and shall not affect the validity of the Plan. In the event that Rule 16b-3 is revised or replaced, the Board may modify the Plan in any respect necessary to satisfy the requirements of, or to take advantage of any features of, the revised exemption or its replacement.

- **EFFECT OF CHANGES IN CAPITALIZATION**

- **Adjustments for Changes in Capital Structure**

Subject to any required action by the Stockholders, in the event of any change in the Common Stock effected without receipt of consideration by the Company, whether through merger, consolidation, reorganization, reincorporation, recapitalization, reclassification, stock dividend, stock split, reverse stock split, split-up, split-off, spin-off, combination of shares, exchange of shares or similar change in the capital structure of the Company, or in the event of payment of a dividend or distribution to the Stockholders in a form other than Shares (excepting normal cash dividends) that has a material effect on the Fair Market Value, appropriate and proportionate adjustments shall be made in the number and class of shares subject to the Plan and to any outstanding Awards, and in the Option Price, SAR Exercise Price or Purchase Price per Share of any outstanding Awards in order to prevent dilution or enlargement of Participants' rights under the Plan. For purposes of the foregoing, conversion of any convertible securities of the Company shall not be treated as "effected without receipt of consideration by the Company." If a majority of the Shares which are of the same class as the Shares that are subject to outstanding Awards are exchanged for, converted into, or otherwise become (whether or not pursuant to a Change in Control) shares of another corporation (the "**New Shares**"), the Board may unilaterally amend the outstanding Awards to provide that such Awards are for New Shares. In the event of any such amendment, the number of Shares subject to, and the Option Price, SAR Exercise Price or Purchase Price per Share of, the outstanding Awards shall be adjusted in a fair and equitable manner. Any fractional share resulting from an adjustment pursuant to this **Section 15.1** shall be rounded down to the nearest whole number and the Option Price, SAR Exercise Price or Purchase Price per share shall be rounded up to the nearest whole cent. In no event may the exercise price of any Award be decreased to an amount less than the par value, if any, of the stock subject to the Award. The Board may also make such adjustments in the terms of any Award to reflect, or related to, such changes in the capital structure of the Company or distributions as it deems appropriate. Adjustments determined by the Board pursuant to this **Section 15.1** shall be made in accordance with Section 409A to the extent applicable.

- **Change in Control**

- **Consequences of a Change in Control**

Subject to the requirements and limitations of Section 409A if applicable, the Board may provide for any one or more of the following in connection with a Change in Control, which such actions need not be the same for all Participants:

- **Accelerated Vesting.** The Board may provide in any Award Agreement, or in the event of a Change in Control may take such actions as it deems appropriate to provide, for the acceleration of the exercisability, vesting or settlement in connection with such Change in Control of each or any outstanding Award or portion thereof and Shares acquired pursuant thereto upon such terms, including a Participant's Separation from Service prior to, upon, or following such Change in Control, to such extent as determined by the Board.

- **Assumption, Continuation or Substitution.** In the event of a Change in Control, the surviving, continuing, successor or purchasing corporation or other business entity or parent thereof, as the case may be (the "**Acquiror**"), may, without the consent of any Participant, either assume or continue the Company's rights and obligations under each or any Award or portion thereof outstanding immediately prior to the Change in Control or substitute for each or any such outstanding Award or portion thereof a substantially equivalent award with respect to the Acquiror's stock, as applicable. For purposes of this **Section 15.2.1**, an Award denominated in Shares shall be deemed assumed if, following the Change in Control, the Award confers the right to receive, subject to the terms of the Plan and the applicable Award Agreement, for each Share subject to the Award immediately prior to the Change in Control, the consideration (whether stock, cash, other securities or property or a combination thereof) to which a Stockholder on the effective date of the Change in Control was entitled; *provided, however*, that if such consideration is not solely common stock of the Acquiror, the Board may, with the consent of the Acquiror, provide for the consideration to be received upon the exercise or settlement of the Award, for each Share subject to the Award, to consist solely of common stock of the Acquiror equal in Fair Market Value to the per Share consideration received by Stockholders pursuant to the Change in Control. If any portion of such consideration may be received by Stockholders pursuant to the Change in Control on a contingent or delayed basis, the Board may determine such Fair Market Value as of the time of the Change in Control on the basis of the Board's estimate of the present value of the probable future payment of such consideration. Any Award or portion thereof which is neither assumed or continued by the Acquiror in connection with the Change in Control nor exercised or settled as of the time of consummation of the Change in Control shall terminate and cease to be outstanding effective as of the time of consummation of the Change in Control.

○ **Cash-Out of Awards.** The Board may, without the consent of any Participant, determine that, upon the occurrence of a Change in Control, each or any Award or a portion thereof outstanding immediately prior to the Change in Control and not previously exercised or settled shall be canceled in exchange for a payment with respect to each vested Share (and each unvested Share, if so determined by the Board) subject to such canceled Award in (i) cash, (ii) stock of the Company or of a corporation or other business entity a party to the Change in Control or (iii) other property which, in any such case, shall be in an amount having a Fair Market Value equal to the Fair Market Value of the consideration to be paid per Share in the Change in Control, reduced by the exercise or purchase price per Share, if any, under such Award. If any portion of such consideration may be received by Stockholders pursuant to the Change in Control on a contingent or delayed basis, the Board may determine such Fair Market Value as of the time of the Change in Control on the basis of the Board's estimate of the present value of the probable future payment of such consideration. In the event such determination is made by the Board, the amount of such payment (reduced by applicable withholding taxes, if any) shall be paid to Participants in respect of the vested portions of their canceled Awards as soon as practicable following the date of the Change in Control and in respect of the unvested portions of their canceled Awards in accordance with the vesting schedules applicable to such Awards. For avoidance of doubt, if the amount determined pursuant to this **Section 15.2.1(c)** for an Option or SAR is zero or less, the affected Option or SAR may be cancelled without any payment therefore.

■ **Change in Control Defined**

Unless otherwise provided in the applicable Award Agreement, a "**Change in Control**" means the consummation of any of the following events:

○ the acquisition, other than from the Company, by any individual, entity or group (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Exchange Act), other than the Company or any subsidiary, affiliate (within the meaning of Rule 144 promulgated under the Securities Act) or employee benefit plan of the Company, of beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of more than 50% of the combined voting power of the then outstanding voting securities of the Company entitled to vote generally in the election of directors (the "**Voting Securities**"); or

○ a reorganization, merger, consolidation or recapitalization of the Company (a "**Business Combination**"), other than a Business Combination in which more than 50% of the combined voting power of the outstanding voting securities of the surviving or resulting entity immediately following the Business Combination is held by the persons who, immediately prior to the Business Combination, were the holders of the Voting Securities; or

○ a complete liquidation or dissolution of the Company, or a sale of all or substantially all of the assets of the Company; or

○ during any period of 12 consecutive months, the Incumbent Directors cease to constitute a majority of the Board; "**Incumbent Directors**" means individuals who were members of the Board at the beginning of such period or individuals whose election or nomination for election to the Board by the Stockholders was approved by a vote of at least a majority of the then Incumbent Directors (but excluding any individual whose initial election or nomination is in connection with an actual or threatened proxy contest relating to the election of directors).

Notwithstanding the foregoing, if it is determined that an Award is subject to the requirements of Section 409A and payable upon a Change in Control, the Company will not be deemed to have undergone a Change in Control for purposes of the Plan unless the Company is deemed to have undergone a “change in control event” pursuant to the definition of such term in Section 409A.

- **Adjustments**

Adjustments under this **Section 15** related to Shares or other securities of the Company shall be made by the Board. No fractional Shares or other securities shall be issued pursuant to any such adjustment, and any fractions resulting from any such adjustment shall be eliminated in each case by rounding downward to the nearest whole Share.

- **NO LIMITATIONS ON COMPANY**

The making of Awards shall not affect or limit in any way the right or power of the Company to make adjustments, reclassifications, reorganizations or changes of its capital or business structure or to merge, consolidate, dissolve or liquidate, or to sell or transfer all or any part of its business or assets.

- **TERMS APPLICABLE GENERALLY TO AWARDS**

- **Disclaimer of Rights**

No provision in the Plan or in any Award Agreement shall be construed to confer upon any individual the right to remain in the employ or service of the Company or any Affiliate, or to interfere in any way with any contractual or other right or authority of the Company or any Affiliate either to increase or decrease the compensation or other payments to any individual at any time, or to terminate any employment or other relationship between any individual and the Company or any Affiliate. In addition, notwithstanding anything contained in the Plan to the contrary, unless otherwise provided in the applicable Award Agreement, no Award shall be affected by any change of duties or position of the Participant, so long as such Participant continues to be a Service Provider. The obligation of the Company to pay any benefits pursuant to the Plan shall be interpreted as a contractual obligation to pay only those amounts described herein, in the manner and under the conditions prescribed herein. The Plan shall in no way be interpreted to require the Company to transfer any amounts to a third party trustee or otherwise hold any amounts in trust or escrow for payment to any Participant or beneficiary under the terms of the Plan.

- **Nonexclusivity of the Plan**

Neither the adoption of the Plan nor the submission of the Plan to the Stockholders for approval shall be construed as creating any limitations upon the right or authority of the Board or its delegate to adopt such other compensation arrangements as the Board or its delegate determines desirable.

- **Withholding Taxes**

The Company or an Affiliate, as the case may be, shall have the right to deduct from payments of any kind otherwise due to a Participant any federal, state or local taxes of any kind required by law to be withheld (i) with respect to the vesting of or other lapse of restrictions applicable to an Award, (ii) upon the issuance of any Shares upon the exercise of an Option or SAR or (iii) otherwise due in connection with an Award. At the time of such vesting, lapse or exercise, the Participant shall pay to the Company or the Affiliate, as the case may be, any amount that the Company or the Affiliate may reasonably determine to be necessary to satisfy such withholding obligation. Subject to the prior approval of the Board, the Participant may elect to satisfy such obligations, in whole or in part, (i) by causing the Company or the Affiliate to withhold the minimum required number of Shares otherwise issuable to the Participant as may be necessary to satisfy such withholding obligation or (ii) by delivering to the Company or the Affiliate Shares already owned by the Participant. The Shares so delivered or withheld shall have an aggregate Fair Market Value equal to such withholding obligations. The Fair Market Value of the Shares used to satisfy such withholding obligation shall be determined by the Company or the Affiliate as of the date that the amount of tax to be withheld is to be determined. A Participant who has made an election pursuant to this **Section 17.3** may satisfy his or her withholding obligation only with Shares that are not subject to any repurchase, forfeiture, unfulfilled vesting or other similar requirements.

- **Other Provisions; Legends**

Each Award Agreement may contain such other terms not inconsistent with the Plan as may be determined by the Board. Any stock certificates for any Shares issued under the Plan shall be subject to such stop-transfer orders and other restrictions as the Company in its sole discretion may deem advisable under the rules, regulations and other requirements of the SEC, any securities exchange on which the Common Stock may then be listed and any applicable federal or state securities law, and the Company in its sole discretion may cause a legend or legends to be placed on such certificates to make appropriate reference to such restrictions.

- **Severability**

If any provision of the Plan or any Award Agreement shall be determined to be illegal or unenforceable by any court of law in any jurisdiction, the remaining provisions hereof and thereof shall be severable and enforceable in accordance with their terms, and all provisions shall remain enforceable in any other jurisdiction.

- **Governing Law**

The Plan shall be governed by and construed in accordance with the internal laws of the State of Florida without regard to the principles of conflicts of law thereof or principles of conflicts of laws of any other jurisdiction that could cause the application of the laws of any jurisdiction other than the State of Florida. For purposes of resolving any dispute that arises directly or indirectly in connection with the Plan, each Participant, by virtue of receiving an Award, shall be deemed to have submitted to and consented to the exclusive jurisdiction of the State of Florida and to have agreed that any related litigation shall be conducted solely in the courts of Broward County, Florida or the United States District Court for the Southern District of Florida, where the Plan is made and to be performed, and no other courts.

- **Section 409A**

The Plan is intended to comply with Section 409A, and, accordingly, to the maximum extent permitted, the Plan shall be interpreted and administered to be in compliance therewith. Any payments described in the Plan that are due within the “short-term deferral period” as defined in Section 409A shall not be treated as deferred compensation unless applicable laws require otherwise. Notwithstanding anything to the contrary in the Plan, to the extent required to avoid accelerated taxation and tax penalties under Section 409A, amounts that would otherwise be payable and benefits that would otherwise be provided pursuant to the Plan during the six-month period immediately following the Participant’s Separation from Service shall instead be paid on the first payroll date after the six-month anniversary of the Participant’s Separation from Service (or the Participant’s death, if earlier). Notwithstanding the foregoing, neither the Company nor the Committee shall have any obligation to take any action to prevent the assessment of any excise tax or penalty on any Participant under Section 409A and neither the Company nor the Board shall have any liability to any Participant for such tax or penalty.

- **Separation from Service**

The Board shall determine the effect of a Separation from Service upon Awards, and such effect shall be set forth in the applicable Award Agreement. Without limiting the foregoing, the Board may provide in the Award Agreements at the time of grant, or any time thereafter with the consent of the Participant, the actions that will be taken upon the occurrence of a Separation from Service, including accelerated vesting or termination, depending upon the circumstances surrounding the Separation from Service.

- **Transferability of Awards**

- **Transfers in General**

Except as provided in **Section 17.9.2**, no Award shall be assignable or transferable by the Participant to whom it is granted, other than by will or the laws of descent and distribution, and, during the lifetime of the Participant, only the Participant personally (or the Participant's personal representative) may exercise rights under the Plan.

- **Family Transfers**

If authorized in the applicable Award Agreement, a Participant may transfer, not for value, all or part of an Award (other than Incentive Stock Options) to any Family Member. For the purpose of this **Section 17.9.2**, a "not for value" transfer is a transfer which is (i) a gift, (ii) a transfer under a domestic relations order in settlement of marital property rights or (iii) a transfer to an entity in which more than 50% of the voting interests are owned by Family Members (or the Participant) in exchange for an interest in that entity. Following a transfer under this **Section 17.9.2**, any such Award shall continue to be subject to the same terms as were applicable immediately prior to transfer. Subsequent transfers of transferred Awards are prohibited except to Family Members of the original Participant in accordance with this **Section 17.9.2** or by will or the laws of descent and distribution.

- **Dividends and Dividend Equivalent Rights**

If specified in the Award Agreement, the recipient of an Award may be entitled to receive, currently or on a deferred basis, dividends or dividend equivalents with respect to the Common Stock or other securities covered by an Award. The terms of a dividend equivalent right may be set forth in the Award Agreement. Dividend equivalents credited to a Participant may be paid currently or may be deemed to be reinvested in additional Shares or other securities of the Company at a price per unit equal to the Fair Market Value on the date that such dividend was paid to Stockholders. Notwithstanding the foregoing, in no event will dividends or dividend equivalents on any Award that is subject to vesting conditions (including the achievement of performance criteria) be payable before the Award has become vested.

- **Data Protection**

A Participant's acceptance of an Award shall be deemed to constitute the Participant's acknowledgement of and consent to the collection and processing of personal data relating to the Participant so that the Company and the Affiliates can fulfill their obligations and exercise their rights under the Plan and generally administer and manage the Plan. This data shall include data about participation in the Plan and Shares offered or received, purchased or sold under the Plan and other appropriate financial and other data (such as the date on which the Awards were granted) about the Participant and the Participant's participation in the Plan.

- **Plan Construction**

In the Plan, unless otherwise stated, the following uses apply: (i) references to a statute or law refer to the statute or law and any amendments and any successor statutes or laws, and to all valid and binding governmental regulations, court decisions and other regulatory and judicial authority issued or rendered thereunder, as amended, or their successors, as in effect at the relevant time; (ii) in computing periods from a specified date to a later specified date, the words "from" and "commencing on" (and the like) mean "from and including," and the words "to," "until" and "ending on" (and the like) mean "to and including"; (iii) indications of time of day shall be based upon the time applicable to the location of the principal headquarters of the Company; (iv) the words "include," "includes" and "including" (and the like) mean "include, without limitation," "includes, without limitation" and "including, without limitation" (and the like), respectively; (v) all references to articles and sections are to articles and sections in the Plan; (vi) all words used shall be construed to be of such gender or number as the circumstances and context require; (vii) the captions and headings of articles and sections have been inserted solely for convenience of reference and shall not be considered a part of the Plan, nor shall any of them affect the meaning or interpretation of the Plan or any of its provisions; (viii) any reference to an agreement, plan, policy, form, document or set of documents, and the rights and obligations of the parties under any such agreement, plan, policy, form, document or set of documents, shall mean such agreement, plan, policy, form, document or set of documents as amended from time to time, and any and all modifications, extensions, renewals, substitutions or replacements thereof; and (ix) all accounting terms not specifically defined shall be construed in accordance with GAAP.
